

AGENTIC BUSINESS OPERATIONS

NeoGennie Front Office Orbiter

Give visitors and customers faster answers while capturing inquiries and routing them to the right next step.

\$2,500 setup + \$599/mo

WHAT IT DOES

Reduce missed opportunities when staff are busy and keep common questions from slowing the front desk.

BEST FIT

Businesses with appointment requests, website questions, service inquiries, and manual routing bottlenecks.

Front Office Orbiter Brochure Details

KEY CAPABILITIES

- Website AI assistant trained on approved business answers
- Inquiry capture flow with consent and source-page context
- Escalation rules for booking, review, or human follow-up
- Guardrails for topics that require staff review
- Transcript or summary capture for better follow-up
- Routing logic for common service, booking, or support questions

SAMPLE WORKFLOW

1. Visitor asks a website question
2. AI answers from approved FAQ or product content
3. Sensitive topics route to human review
4. Inquiry is captured with context
5. Visitor is routed to booking or staff follow-up

Built for a practical first version, then improved with real business feedback.

The MVP clarifies the core workflow first; optional add-ons expand integrations, reporting, or automation after fit is proven.
